A HEARTWARMING COLLABORATION: VAANI AND DEENABANDHU REACH OUT TO GADAG'S DEAF CHILDREN

PARENTS MEETING & COMMUNITY EAR SCREENING PROGRAM AT GOVT. PRIMARY SCHOOL GADAG.

We are thrilled to share a heartwarming collaboration between VAANI, Deaf Children's Foundation, and the dedicated team at Deenabandhu Organisation. Together, we embarked on a mission to inspire and uplift newly discovered deaf children in the Gadag region.

One of the most significant achievements of this partnership was the successful implementation of a Community Ear Screening Program. This initiative touched the lives of 158 children attending the Government Primary School in Gadag.

Together, through initiatives like this, we are making a difference in the lives of those in need, and we are paving the way for a more inclusive and compassionate society.

HEALTH DRINK

“IF YOU KEEP GOOD FOOD IN YOUR HEALTH, IT WILL KEEP GOOD IN MIND”

VAANI Deaf Children's Foundation proudly partners with two remarkable organizations, The Indian Red Cross Society Residential School for Speech and Hearing Impaired in Tumkur and MCKS Food For The Hungry Foundation - Karnataka. Together, we are dedicated to enriching the lives of our exceptional community of 150 deaf children.

Twice a week, after their energising physical fitness training sessions, we take great pleasure in providing our exceptional children with nourishing and wholesome beverages. These drinks are thoughtfully prepared using locally sourced ingredients like Ragi, Millet, Dry Fruits, and more, ensuring they receive essential nutrients.

We invite you to join us in this heartwarming initiative and contribute as we stand by these remarkable children on their path to empowerment and inclusivity. Together, we can make a meaningful difference in their lives.

AWARENESS AND SENSITIZATION WORKSHOP

We are delighted to share the news of a highly successful awareness and sensitisation workshop that took place on August 30, 2023. This workshop was a significant step forward in addressing childhood deafness and the associated challenges that our society faces.

The workshop was specifically designed for 101 dedicated Anganwadi workers from the Goroimari neighbourhood, located in the Chaygaon block of Kamrup district. These Anganwadi workers play a vital role in the community, working closely with families and children to provide essential early childhood care and education services.

The primary focus of the workshop was to create awareness and build sensitivity around childhood deafness, a crucial issue that often goes unnoticed or misunderstood. The participants actively engaged in discussions, presentations, and interactive sessions that aimed to:

**UNDERSTANDING THE CHILDHOOD DEAFNESS,
IMPORTANCE OF EARLY IDENTIFICATION &
INTERVENTION AND SIGNING SESSION.**
