

Year-end Activity Report

Period April'21-March'22

Presented by
**VAANI DEAF CHILDREN'S
FOUNDATION**

New Born Screening

Working with infants between 0-2 years

5500 Babies have been screened this year with counselling sessions for 5500 mothers.

We currently have four newborn screening setups in partnership with government hospitals in Tumkur District, Karnataka and Gauhati, Assam.

Educational Intervention

Working with children between 2-16 years

592 Children With Hearing Impairment (CWHI) reached through 20000 Individualised Educational Assistance both online and offline and 3050 Children reached through training provided to educators and interventionists.

We currently have thirteen Sadhan Educational Centres across Assam, West Bengal and Karnataka

Youth Transition

Working with children between 8-18 years

Computer training was conducted for a batch of 95 Children With Hearing Impairment (CWHI) through 2227 sessions.

We currently have our computer programme in Assam and West Bengal

Parent Workshops

In the states of Assam, West Bengal, and Karnataka around 2000 parents were reached through training workshops. Topics covered were Prevention Of Child Sexual Abuse, Life skill training and teaching Mathematical skills to their Hearing Impaired Children.

Prevention Of Child Sexual Abuse and Understanding the #NoGoTell rule

Life skill training on what to do if they get lost: Whom to approach, writing their own name, address, nearby landmark, phone number etc

Teaching mathematics with fun

VAANI'S SOCIAL MEDIA CAMPAIGN #SHECAN

Through VAANI #SHECAN Campaign we are documenting the stories of hearing-impaired women and other female role models to help our girls dream bigger dreams.

TRAINING WORKSHOPS FOR PROFESSIONALS

750 Sarva Shiksha Abhiyan Resource Teachers were trained on teaching techniques for catering to the educational needs of a deaf child enrolled in a mainstream classroom.

Community Ear Checkup Camps

2800 Children And Adults reached across Assam, and Karnataka through 69 community ear checkup camps

Celebrations And Fun

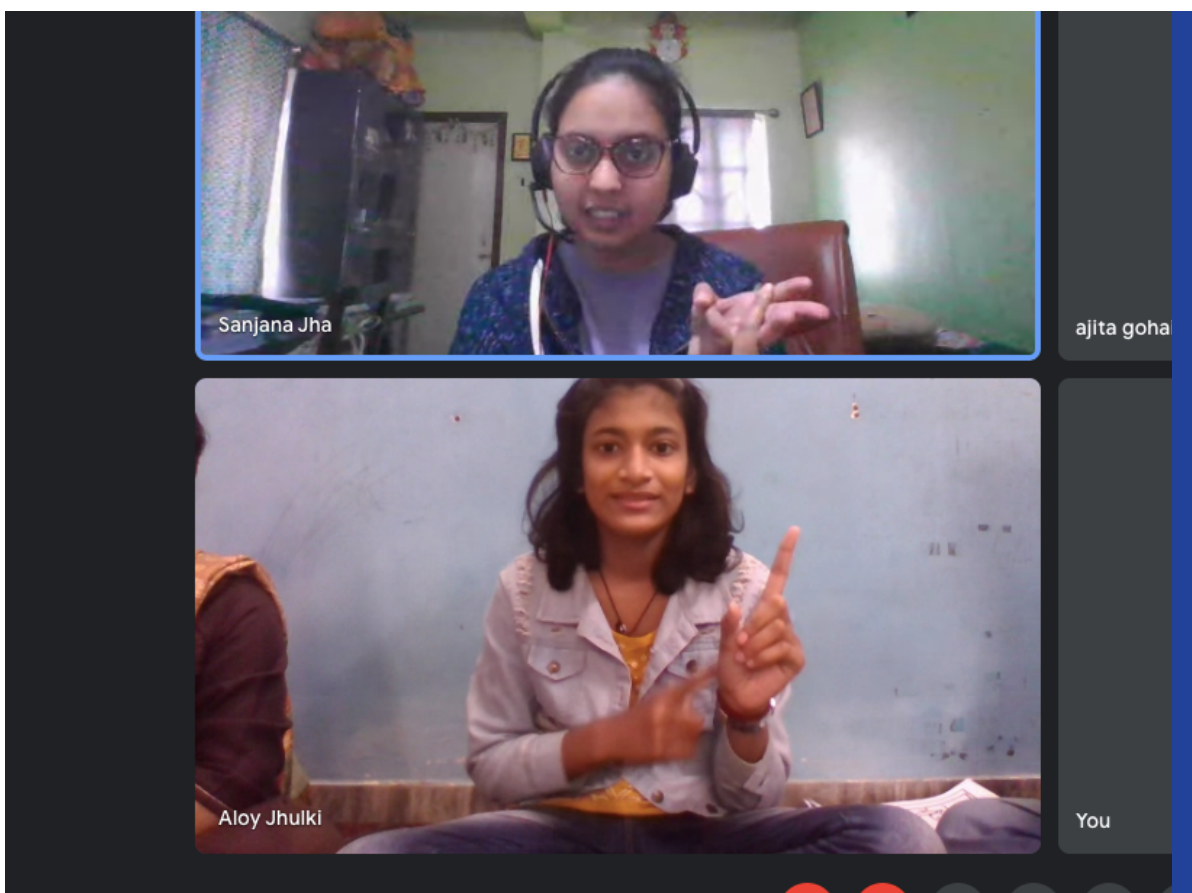

Virtual Volunteering

4000 volunteers from Corporates and Educational Institutes were reached through 70 virtual volunteering sessions

Who would have thought that one could also do volunteering through virtual mediums! It was a beautiful learning experience for all of us.

We had volunteers conducting one to one virtual sessions for our children and supporting the VAANI team with creating teaching learning material and learning Indian sign language

Our Achievements

In the states of Assam, West Bengal, and Karnataka around 2000 parents were reached through training workshops. Topics covered were Prevention Of Child Sexual Abuse, Life skill training and teaching Mathematical skills to their Hearing Impaired Children.

Top-Rated Award for 2021 from GreatNonprofits

VAANI has been selected as one of the core team members for developing the State Curriculum Framework For School Education In Assam.

VAANI was the sixth finalist in Pune International Centre- 9th National Conference on Social Innovation 2021. We presented our technological innovation Voice To Visualization tool which converts voice to images and signs
